

YOU ARE INVITED TO Learn How New Markets Tax Credits Stimulate Growth

Nationwide, more than \$43 billion of New Markets Tax Credit capital has been invested into thousands of businesses and real estate developments since 2002. Chase Community Development Banking, Cleveland Development Advisors, National Development Council, Squire Patton Boggs, and Novogradac & Company LLP invite you to learn how to access New Markets Tax Credits for your qualified business or real estate development. These unique tax credits have helped developers and business owners gain access to a low-cost source of capital to solve a portion of their capital needs while creating significant community and economic impact in distressed areas. Please join us to learn more about the New Markets Tax Credit program and find out if your project or business qualifies.
