WHO ARE WE?

• Who is the National Development Council?

• Who is the Grow America Fund?
PRESENTERS

• Lisandro Kellis
• Oseremi Adekoye
• Robert Stitt
• Dryck Bennett
WEBINAR GOALS

• To provide an overview of the process

• To provide a list of required documentation for loan forgiveness

Note, we will not be able to address problems specific to your business. Today's webinar is a high-level overview of the PPP forgiveness process.
WHERE DO WE STAND WITH PPP?

• As of today, roughly $100 billion remains to be lent in Round II.

• Although Congress has discussed easing the process for forgiveness, nothing has become law yet.
WHAT DO WE KNOW ABOUT FORGIVENESS?

• We have an application!

• Yes, it’s an eleven-page application. But it is an application!

• The application form can be found on the SBA website
• You must apply for forgiveness

• It is called the PAYCHECK Protection Program – labor costs are the guide

• The “Covered Period” is the 56 days AFTER the RECEIPT of funds. Or, the borrower is allowed an “Alternative Payroll Covered Period”
WHAT DO WE KNOW?

... More Basic Rules of Guidance

• Forgiveness is based on:
  • The number of retained, full-time employees
  • Sum of documented payroll costs for each retained employee
  • Mortgage interest payments, rent payments, and utilities paid or incurred over the loan forgiveness period

• Forgiveness can be reduced if headcount declines, or if annual salaries or hourly wages decrease from amounts reported prior to February 15, 2020
  • We will cover exceptions and how to calculate forgiveness amounts

• At least 75% of the forgiven amount must be used payroll costs

• Any portion of the loan that is not forgiven, will have to be repaid over the course of eighteen months at 1% interest rate
WHAT IS AN ELIGIBLE EXPENSE FOR FORGIVENESS?

Payroll (75% or over) and Non-Payroll Expenses (up to 25%)

**PAYROLL EXPENSES**

- Salaries
- Commissions
- Payment of cash tips (up to an annual rate of pay of $100,000)
- Employee group health care benefits, including insurance premiums
- Retirement contributions
- Employee Benefits including costs for vacation, parental, family, medical or sick leave
- Income or net earnings from self-employment (Schedule-C for Sole Proprietors)

**NON-PAYROLL EXPENSES**

- Interest payments on mortgage obligations, incurred before 2/15/2020
- Rent, under lease agreements in force before 2/15/2020
- Utilities, for which service began before 2/15/2020
- Interest on other debt obligations, previously incurred
TIMING OF THE EXPENSES

Payroll vs. Non-payroll

Borrowers can choose the start date of their eight-week loan forgiveness period for payroll expenses:

1. Covered Period: begins the same date as the PPP Loan Disbursement Date for a 56 day period or
2. Alternative Payroll Covered Period: begins the first day of the business’ first pay period following the PPP Loan Disbursement Date for a 56 day period

Non-payroll costs cannot exceed 25% of the loan amount and can include specific expenses:

1. Paid during the 8-week Covered Period or
2. Incurred during the 8-week Covered Period and paid on or before the next regular billing date, (even if the billing date is after the Covered Period).
PAYROLL AND EMPLOYEE LEVELS

Three Steps

1. Allocate your PPP loan expenses
   • 75% must be payroll

2. Calculate your annual and hourly wages/employees
   • Compensation must NOT decrease by more than 25% for any employee earning less than $100k annually

3. Calculate your number of full-time employees
   • With some exceptions, full-time employees must maintain a full-time schedule.
OVERVIEW OF THE APPLICATION

The application has four sections:

1. The PPP Loan Forgiveness Calculation Form
   • Must submit to lender

2. PPP Schedule A
   • Must submit to lender

3. The PPP Schedule A Worksheet
   • To assist with completing the PPP Schedule A

4. The PPP Borrower Demographic Information Form

Although not likely necessary, it is two steps:

1. Calculate Eligible Payroll Costs

2. Determine if any reductions apply

FTE Reduction Safe Harbor:

Step 1. Enter the borrower's total average FTE between February 15, 2020 and April 26, 2020. Follow the same method that was used to calculate Average FTE in the PPP Schedule A Worksheet Tables. Sum across all employees and enter: __________

Step 2. Enter the borrower's total FTE in the Borrower's pay period inclusive of February 15, 2020. Follow the same method that was used in step 1: __________

Step 3. If the entry for step 2 is greater than step 1, proceed to step 4. Otherwise, the FTE Reduction Safe Harbor is not applicable and the Borrower must complete line 13 of PPP Schedule A by dividing line 12 by line 11 of that schedule.

Step 4. Enter the borrower's total FTE as of June 30, 2020: __________

Step 5. If the entry for step 4 is greater than or equal to step 2, enter 1.0 on line 13 of PPP Schedule A, the FTE Reduction Safe Harbor has been satisfied. Otherwise, the FTE Reduction Safe Harbor does not apply and the Borrower must complete line 13 of PPP Schedule A by dividing line 12 by line 11 of that schedule.

Definitions

- **Cash Compensation**: Enter the prorated sum of gross salary, gross wages, gross tips, gross commissions, paid leave (vacation, family, medical or sick leave, not including leave covered by the Families First Coronavirus Response Act), and allowances for dismissal or separation paid or incurred during the Covered Period or the Alternative Payroll Covered Period.
  - No employee can earn more than $15,385 due to the $100k cap.

- **Non-Cash Compensation**: Total amount paid for health insurance, contributions to retirement plans and employer state and local taxes assessed on employee compensation.
WHAT IS A FULL TIME EQUIVALENT (FTE)?

- **Average FTE**: A full-time employee averaged working 40 hours a week or more. The maximum for each employee is capped at 1.0.

- The borrower can choose to use a simplified method, which assigns a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work less than 40 hours.
A safe harbor under applicable law and regulation exempts certain borrowers from the loan forgiveness reduction based on FTE employee levels. Specifically, the Borrower is exempt from the reduction in loan forgiveness based on FTE employees described above if both of the following conditions are met:

1. The Borrower reduced its FTE employee levels in the period beginning February 15, 2020, and ending April 26, 2020; and
2. The Borrower then restored its FTE employee levels by not later than June 30, 2020 to its FTE employee levels in the Borrower’s pay period that included February 15, 2020.

In essence, if your employment levels return to pre-February 15, 2020 levels by June 30th, 2020, you are forgiven and have met the safe harbor requirement.
OTHER NOTABLE FTE EXCEPTIONS

... 

Reduction in Employees Through No Fault of the Borrower

Any FTE reductions in these cases do not reduce the Borrower’s loan forgiveness:

1. Any positions for which the Borrower made a good-faith, written offer to rehire an employee which was rejected by the employee; and

2. Any employees who:
   a. were fired for cause
   b. voluntarily resigned, or
   c. voluntarily requested and received a reduction of their hours.

In these cases, DOCUMENT, DOCUMENT, DOCUMENT, DOCUMENT
WHAT IS THE SALARY/HOURLY WAGE REDUCTION COLUMN? (LINE 5)

*You May Not Get Full Forgiveness*

• Complete the Salary/Hour Wage Reduction column only for employees whose salaries or hourly wages were reduced by more than 25% during the “Covered Period.”

• The SBA is allowing you to reduce an individual’s wages to 75% during the Covered Period and still get a full forgiveness.

• If you did not reduce pay, you still need to complete this column to indicate that.
CALCULATING THE SALARY HOURLY WAGE REDUCTION

Three Easy Steps

1. Determine if pay was reduced by more than 25%
2. Determine if the Salary/Hourly Wage Reduction Safe Harbor is met
3. Determine the Salary/Hourly Wage Reduction
But How?

PPP Schedule A Worksheet

Start with inputting employees during the Covered Period or Alternative Payroll Covered Period into the PPP Schedule A Worksheet Table 1

- Input only employees with 2019 earnings under $100K
- Employer ID = last 4 digits of employees SSN
- Cash Compensation = sum of gross salary, wages, tips, commissions, leave
- Average FTE = average # of hours per week divided by 40, capped at 1.0. Round to the nearest 0.1.
- Follow the 3 steps on the next pages to determine Salary/Hourly Wage Reduction
PPP SCHEDULE A WORKSHEET

Salary/Hourly Wage Reduction – Step I

**Step 1.** Determine if pay was reduced more than 25%.

a. Enter average annual salary or hourly wage during Covered Period or Alternative Payroll Covered Period: ____________.

b. Enter average annual salary or hourly wage between January 1, 2020 and March 31, 2020: ____________.

c. Divide the value entered in 1.a. by 1.b: ____________.

d. If 1.c. is 0.75 or more, enter zero in the column above box 3 for that employee; otherwise proceed to Step 2

b. Enter the average annual salary or hourly wage between February 15, 2020 and April 26, 2020: ______________. If 2.b. is equal to or greater than 2.a., skip to Step 3. Otherwise, proceed to 2.c.

c. Enter the average annual salary or hourly wage as of June 30, 2020: ______________. If 2.c. is equal to or greater than 2.a., the Salary/Hourly Wage Reduction Safe Harbor has been met – enter zero in the column above box 3 for that employee. Otherwise proceed to Step 3.

If the employee is an hourly worker, compute the total dollar amount of the reduction that exceeds 25% as follows:
c. Enter the average number of hours worked per week between January 1, 2020 and March 31, 2020: ______________.
d. Multiply the amount entered in 3.b. by the amount entered in 3.c. ______________. Multiply this amount by 8: ______________. Enter this value in the column above box 3 for that employee.

If the employee is a salaried worker, compute the total dollar amount of the reduction that exceeds 25% as follows:
e. Multiply the amount entered in 3.b. by 8: ______________. Divide this amount by 52: ______________. Enter this value in the column above box 3 for that employee.

FTE REDUCTIONS

FTE Reduction Exceptions: Indicate the FTE of (1) any positions for which the Borrower made a good-faith, written offer to rehire an employee during the Covered Period or the Alternative Payroll Covered Period which was rejected by the employee; and (2) any employees who during the Covered Period or the Alternative Payroll Covered Period (a) were fired for cause, (b) voluntarily resigned, or (c) voluntarily requested and received a reduction of their hours. In all of these cases, include these FTEs on this line only if the position was not filled by a new employee. Any FTE reductions in these cases do not reduce the Borrower’s loan forgiveness.

**IMPORTANT NOTE FOR SLIDE 47**

As discussed during the recording, slide 47 did contain a typographical error on the “PPP Schedule A Worksheet”. Due to the importance of this calculation, GAF is offering the proper figures for “average FTE” below (4 instead of 40). To compute “Average FTE, the borrower simply takes the average hours worked divided by 40. In this instance for Rose’s Flowers, it was simply 40/40 for each employee adding up to 4. (If an individual employee worked 25 hours, rather than 1 the figure would be 25/40 = .63 rounded to .7)

This figure becomes the entry on PPP Schedule A line 2. Line 2 plus Line 5 equal Line 12 on the Worksheet. This is very important as it reflects the FTE Quotient on the Loan Forgiveness Application on Line 7 which is multiplied to the Eligible Use of Proceeds. The smallest line of 8, 9 or 10 becomes the Forgiveness Amount.
