

District of Columbia Housing Finance Agency

Employment Opportunity

Asset Manager, Compliance and Asset Management

The DC Housing Finance Agency was established in 1979 to stimulate and expand home ownership and rental housing opportunities in Washington, D.C. We accomplish our mission by primarily issuing mortgage revenue bonds. Through our Multifamily Lending and Neighborhood Investments business unit, we provide financing that lowers the cost of acquiring, constructing and rehabilitating rental housing and that facilitates the creation of low and moderately priced for-sale housing. Our financing tools are primarily funded through the issuance of taxable and tax exempt mortgage revenue bonds. Our Single Family Programs offer DC residents competitive products that help lower the homebuyer's cost of purchasing homes. We embrace our responsibility with conviction and pledge our best efforts to serve as the City's champion for renters and homeowner to act as the City's principal catalyst for affordable housing neighborhood investment.

The District of Columbia (DC) Housing Finance Agency (DCHFA) is seeking qualified candidates for the position of Asset Manager in the Compliance and Asset Management Department.

POSITION DESCRIPTION

The Compliance and Asset Management Department is responsible for managing the Agency's Multifamily portfolio of over one hundred- forty (140+) projects for compliance with terms of the loan agreement and the Agency's mission of affordability requirements. The Asset Manager manages the performance of their assigned portfolio, approximately seventy (70) projects, through monitoring the financial, physical and compliance risks of the projects. The Asset Manager will additionally manage client relationships by providing exceptional customer service.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Monitor the Agency's Multifamily project portfolio for financial, compliance and property performance
- Conduct property inspections on Agency financed properties to determine property deficiencies
- Review and analyze financial and property operating statements for Agency portfolio
- Assess and identify asset performance including areas of risk; compliance with bond documents and regulatory requirements and non-compliance of agents and owners
- Create a plan of mitigating action for at risk properties and present solution(s) to senior management, as needed
