“NDC training gives practitioners the tools and techniques needed to get deals done. We bring the real world to the classroom with case studies based on actual deals and instructors who teach what they do in support of NDC’s mission in communities throughout the country.”

WHY CHOOSE NDC TRAINING?

Stabilize and Sustain Your Community

Today, with a proven track record of results and accountability in revitalizing neighborhoods, important strategic partnerships, a highly developed training curriculum and a model for delivering technical assistance, NDC possesses the skills and experience to achieve local community development goals.

Capacity building through technical assistance and training is the heart of NDC’s work, but in pursuit of our mission, we have become a full-service community development financial institution for community and economic development, bringing development expertise and financial resources to client communities through a variety of high-impact programs.

NDC training is intense and rigorous—with as many hours as an average college course—plus homework and a final exam. Students work through real case studies, analyzing and structuring them to reach real solutions. We regularly update our courses with new material that reflects the latest financing programs, legislation and regulations. Course instructors are members of NDC’s team of development finance specialists who impart real-world knowledge in the classroom. Working in communities across the country to structure a wide range of transformative projects, our instructors bring a wealth of experience and a timely perspective to every NDC training course.

APA AICP APPROVED

AICP members can earn Certification Maintenance (CM) credits for many NDC Training activities. When CM credits are available, they are noted on NDC’s website or at www.planning.org/cm.
Sponsored and Customized Training
Secure high quality NDC Training tailored to staff and local needs while reducing per participant tuition, and avoiding travel expenses.

Professional Certification Programs
NDC offers comprehensive training certification programs considered to be the “gold standard” of professional economic and housing development finance training:
- Economic Development Finance Professional™
- Rental Housing Development Finance Professional™
- Housing Development Finance Professional™
- Customized certification programs

Professional Development Courses
Designed to meet the capacity-building needs of both seasoned professionals and those new to the field, these courses complement NDC’s certification programs and are powerful standalone training opportunities. Courses focus on specific development finance programs or techniques such as revolving loan funds, CDBG compliance and mixed-use real estate finance.

Online Training
Travel and time constraints don’t have to be an obstacle to your professional development. The online training format combines the best of NDC’s classroom settings with the convenience of “anywhere access” to NDC training.

Recertification
As an NDC-Certified Development Finance Professional, you are recognized as a leader in your field. Keeping your certification and skills up-to-date will enhance your peer recognition and, most important, your ability to serve your community and your organization.

Training Partnerships & Continuing Education
NDC has numerous partnerships across the country, many of which may offer a discount on NDC Training courses.
“NDC’s intensive certification courses delivered the best possible learning experiences for my staff. These courses set the standard by which I will measure future training seminars.”
- State Housing Finance Authority Director

Sponsored and Customized Training

An investment in development finance skills and knowledge that delivers community benefits for years to come.

Housing and Economic Development Networks, State and Local Governments, Community Development Banks and Charitable Foundations across the U.S. have sponsored NDC Training to:

- Enhance the economic, housing and community development skills of their staff and development partners
- Secure high quality training that’s tailored to local and organizational needs
- Reduce tuition and travel expenses.

When NDC comes to your community, development practitioners are able to enhance their financial analysis and problem solving skills in the same classroom with their colleagues and to collectively discuss and address local development challenges and opportunities.

The states and communities served by our sponsors benefit from the increased capacity of development professionals to move critical projects - small business expansions, affordable housing development, community facility upgrades - from planning to completion.

In our sponsored training classes, NDC instructors deliver the skills, case studies and real world experience that have made our nationwide training the gold standard in the field. NDC can present existing certification and professional development courses, or work with sponsors to customize a unique training program that focuses on the capacity building needs and interests of your staff, partners and community.

Foundations, community development banks and other funders can meet their mission and CRA responsibilities by investing in sponsored NDC training.

Sponsoring organizations benefit by building development finance capacity for their staff and partners while reducing tuition and travel expenses.

To learn more about bringing NDC Training to your state, community or organization, please contact NDC’s Training Office at (513) 657-7870 or email training@ndconline.org.
